

# It's time to *Snack Something*

## *Ascension - Acts 1:1-11 and Luke 24:44-53*

In this week's Bible story we learn how when Jesus returned to heaven (ascended) He was lifted and eventually the clouds hid Him from the disciples' eyes. His ministry on earth was done and He had gone back to heaven to prepare a place for us. Someday we'll join Him in heaven, but right now we can enjoy a cloud snack as a reminder of the ascension story and how He promised His followers that He will still be with us and return someday to take us to be with Him.

To make your cloud snack you'll need some blue gelatin and some whipped topping/whipped cream.

Make your blue gelatin according to the package instructions and refrigerate until set. If you're using frozen whipped topping, let it thaw.

Using a clear cup or bowl if possible, assemble your snack by scooping a layer of blue gelatin into the cup or bowl and then add a scoop (or spray) of whipped topping. Keep alternating layers of gelatin and whipped topping until it's a good size for a snack. Finish with a layer of whipped topping.

Not only is your snack a refreshing treat, but it's a reminder of Jesus's accomplished work of salvation. With His work done it was time for Him to return to heaven, but He's going to prepare a place for us. Your snack may be 'heavenly', but it's no comparison to how heaven will be someday when Jesus welcomes us home with Him.
